

“German Ladies Event”

in Hamburg/ Germany

11th February 2017

The “German Ladies Event” will start Saturday 11th February 2017 at 4pm (GMT+1). We will first start with a typical German reception where sparkling wine is served, and then we will practice one temple meeting, which is mainly for our sisters. This is a very unique ritual where we thank our sisters and it will give them the opportunity to understand the ritual or how it could look like and our wife’s/ partner’s are invited for this particular occasion. After the dinner we will have a ball with dance.

We will be delighted if not only brothers and sisters from Hamburg will participate on this special “German Ladies Event”, we would hope that some brothers and sisters from other countries would pay us a visit.

The event will cost 95€ per person. The sparkling wine during reception is included; additional drinks during the dinner/ evening will be charged by consumption and need to be paid separately. Dress code: this is a black tie event that means also long evening dress for ladies. Scots can also wear a kilt.

Our Freemason Hall is over 100 years old and was build for the Freemasons in Hamburg; this gives this building a very special and unique character, and creates an indescribable atmosphere in this grand and ancient building.
